Dear Investigator:

I am pleased to provide you the "Request for Application" for the Center for Indoor Air Research. This package includes information about the Center, the research and review process, procedures for application, the contract management process and the application forms. Also included is our Research Agenda as the Request for Application.

Applications for January 1, 1990 funding must be received by July 31, 1989, and applications for July 1, 1990 funding must be received by December 31, 1989. Please complete and return the enclosed checklist along with the contract application materials.

If you have additional questions concerning application procedures, please contact Lynn Kosak-Channing, Ph.D., Staff Scientist, at (301) 684-3777.

Thank you for your interest.

Sincerely

Max Eisenberg
